

BATTERIES NOT INCLUDED!

WHO: Middle school students and their families (*family members of all ages are welcome*)

WHAT: Have you ever gotten a present that required batteries... but you didn't have any? Imagine a world where batteries were never included. How would you carry electricity? Join us for an energetic evening filled with hours of powerful activities.

WHEN: Thursday, January 25th
6:00 - 8:00 pm

WHERE: NASA Goddard Space Flight Center
Visitor Center
Explorer Drive, Greenbelt, MD 20771

HOW: Registration for this event is required! Download a registration form from: [sdoepo.gsfc.nasa.gov](http://sdoepo.gsfc.nasa.gov/family/index.shtml). Once submitted, you will receive a confirmation email. If you do not receive a confirmation email then you are not fully registered.
